

Winter NEWSLETTER

Association of State Boards of Geology

Term: Winter | Issue 1 | Date: February 1, 2022

Examinations

- ASBOG Spring Examinations scheduled for March 18, 2022. All jurisdictions except for Puerto Rico will be administering exams.
- Examination booklets and related materials will be delivered via FedEx to the Boards on March 9, 2022.
- Examination booklets will require a signature upon delivery so please have someone available to accept the box.
- Boards whose candidates pay ASBOG directly must clear all deferrals in 2022. No deferrals will be carried over by ASBOG into 2023.
- The 2023 Task Analysis Survey (TAS) Workshop met on January 14, 2022. The next TAS Workshop will meet on April 6, 2022 in Albany, NY.
- The Spring COE Workshop will be in Albany, NY on April 7-8, 2022. Hotel room block deadline is March 5, 2022.

CBT Testing Sites

Business Admin

- ASBOG Executive Committee 1st Quarter meeting held on January 13, 2022. Welcome to Keith Rapp (MN Board), ABOGs 2022 Secretary!
- The ASBOG Committee Chair Workshop met on January 15, 2022 to establish annual goals.
- Errors and Omissions and Cyber Insurance Policies renewed.
- Development of ASBOG FG Examination Prep Course approved by Executive Committee, anticipated to be available in Fall 2022.
- ASBOG to attend Florida Board meeting in February 2022.
- Disciplinary Database is now available. Contact Randy Kath for access: rkath@comcast.net

Outreach

- Outreach efforts are intended to expand the knowledge and value of licensure within the geoscience community.
- Jason Patton, ASBOG previous past president, participated in a licensure webinar hosted by AEG on January 27, 2022.
- ASBOG will attend booths at the joint Cordilleran/Rocky Mountain GSA Section meeting in Las Vegas and the Northeast GSA Section meeting in Lancaster, PA in March 2022.
- ASBOG will participate in the AGI Member Society Council Meeting on April 11, 2022.
- ASBOG will attend the American Association of State Geologists (AASG) meeting in June.

Committee Work

- ASBOG has signed a three-year contract with Prometric to provide computer-based testing at their testing facilities. All exams will be delivered via CBT beginning with the Spring 2023 examination administration.
- Development of the CBT registration portal has begun, with the goal to beta test in late spring/early summer.
- ASBOG will host a CBT teleconference for the Boards on February 17, 2022. Prometric representatives will be available for questions during the call.
- ASBOG will begin rebranding this year, including development of new logo, brochures, and website renovations. We will officially start doing business beginning in 2022 as the Association of State Boards of Geology.
